Associate Professor Christine Slade

Academic Lead – Assessment
Institute for Teaching and Learning Innovation
The University of Queensland
Australia

Associate Professor Christine Slade is an academic in the Institute for Teaching and Learning Innovation at the University of Queensland, Australia, with leadership responsibilities in assessment. Christine is a member of the North American Association of Authentic, Experiential and Evidence-based Learning (AAEEBL) Task Force on Digital Ethics and ePortfolios.

Recently, she was also a co-investigator in a multi-university research project examining digital ethics for students in using secondary data from their ePortfolios. Christine is an active advisor for ePortfolio implementation, focusing on pedagogical outcomes for students and practical research outcomes.
