

As a Senior High School Teacher, I am glad that I had the opportunity to attend this webinar series.

I learned a lot about the business trends, innovative techniques, digital etiquette, and business tips from various speakers all over Asia.

This webinar will help me teach students better and provide more applicable methodologies in implementing businesses at the comforts of their home.

Thank you SEAMEO.

Webinar Title:

"Smart Business and Hospitality in the New Normal" (SEA-Teacher-TVET Series) Webinar Aug 27, 2020
