**Head of International Programme  
Suankularb Wittayalai Thonburi School  
(S.K.T.)  
Bangkok, Thailand**

**A government scholarship student from 2008 - 2013 and graduated with First Class Honors in English Language Teaching. I am currently doing my Master Degree in English Language Teaching, Applied Linguistics at King Mongkut's University of Technology Thonburi (KMUTT).**

**I have been working at Suankularb Wittayalai Thonburi school since November 2013.**

**I am currently in charge of the Cambridge Curriculum's International Program.**

**I have engaged in teacher professional development in the United States, New Zealand, Australia, and Indonesia . We urge our instructors to produce an e-portfolio to highlight their previous academic year's work and to improve on their excellent work year after year at SKT International Program, and I used my e-portfolio for my Professional Level Teachers (K 2 Teachers) - ครู วิทยฐานะครูชำนาญการ (คศ. 2).**

**This academic year, with students in the international program, we will use an e-portfolio as a continuous assessment tool in which they can collect their work, such as images, essays, video recordings, and media design, and the teachers will evaluate the students' performance over a period of time.**
