Michael S. Botis

Dean
St. Mary's College of Meycauayan
Bulacan, Philippines
m_botis@smcm.edu.ph

Michael S. Botis is a PhD student at De La Salle Araneta University. He finished BS in Computer Engineering at Bulacan State University and his Certificate of Professional Teaching at St. Mary's College of Meycauayan. He completed his masters degree in Educational Management at Bulacan State University. At present he is the head of the higher education department of St. Mary's College of Meycauayan.

The e-portfolio presentation is all about the experiences while conceiving the outputs. This is more than just producing the portfolio, but more than the challenges, it was able to showcase the successes of the distance learning journey in the school. Hopefully in the future, this will inspire people to write their experiences to promote a positive learning community that will benefit the wider society as whole.
